DR. STERRY'S HAIR REGENERATOR.—Dr. Sterry, after much attention to the important subject of preserving the hair, has after many experiments chemical and physical, been able to discover an article which is now offered with the greatest confidence for the toilette, as the best thing ever discovered, for its softening and penetrating quality, to produce a good head of hair—to prevent it from falling off when baldness has taken place, and to prevent it from turning gray. It is more nourishing than pomatum, aning gray.

LOTION, LOTION.

Dr. Evans' Beautifying Lotion.

HIGHLY esteemed for curing all Eruptions, Coarseness, Redness, and Pinples on the Face, Neck or hands, and effectually cleaning the complexion and removing all diseases of the skin.

Nothing contributes so much to our general success in life, as an engaging first appearance. The Lotion is admired as a most fragrant, mild, safe wa-h, and greatly esteemed for its virtues in cleanaing, softening, and purifying the ekin of all eruptions, so injurious to female beauty, and restoring it to a high degree of purity.

all who possess it, and the envy of those who are deprived of it.

A good appearance is the best recommendation;—and as the Beautifying Lotion purifies the skin, and removes all Pimples, Blotches, Tan, Sunburn, and Redness, and produces a beautiful hue, it is the only cosmetic a lady should use at her toilette.

Gentlemen will also find this a delightful remedy to remove all Roughness, Pimples, Ringworms, Spots, Redness, Soreness of the face and nose, and every kind of cruption on the surface of the human body.—It is particularly recommended to gentlemen to be used after shaving, as it will prevent the otherwise certain effect of all common soap, in turning the beard prematurely grey.

the increasing demand for the article from all parts of the country, prove it to be one of the most valuable specifies known for this troublesome complaint.

BUPA Clergyman writes

Boston, February 13, 1841.

I have made trial of Dumfries' Pile Electuary and found it produced a salunary influence almost immediately, and confidently believe it an electual remedy for that unconfortable and debilitating complaint. Humanny has induced me to recommend it to persons thus afflicted, and so I shall continue to do.

Yours respectfully, J. S.
